

The **Endangered Language Fund** is pleased to announce this funding category:

"Languages of the Pacific Northwest Coast,"

This category is made possible by a generous donation from **Stephen R. Anderson**. This funding category will be included in the annual Language Legacies grant application cycle.

Languages in this funding category include:

Wakashan
Coast Salish and Bella Coola
Tlingit
Tsimshian
Haida

Projects should follow the guidelines described for Language Legacies grants. More information about Language Legacies may be found [here](#).
